

HAPPY 4TH OF JULY! HAPPY 4TH OF JULY!

Dear Friend,

Someone cares about you and your health! Many of us go through life living with headaches, back pain and stiffness, or that general run-down feeling. Frequently, people say, “I have normal headaches,” “It’s my job,” or “It’s just stress.” **At Basil Chiropractic Health Center we know pain is not normal.** We specialize in health restoration and pain free living. You deserve to live your life to its fullest without pain and discomfort.

This July we are devoting our time to help determine if you, too, can find a better life with the help of chiropractic care. We are offering a thorough chiropractic examination at **no charge** to you. This evaluation includes a consultation, as well as a complete orthopedic, neurologic, and chiropractic exam, including spinal x-rays if needed, and a personal report of our findings. This evaluation will let you know how your body is coping with the physical, chemical and emotional stress of life. After your examination, we will meet with you to personally discuss options of care available to you, in order to restore, or improve your health.

Call now, and make the first step toward better health. When you make your appointment, please let our receptionist know that payment will be made with a gift certificate. **Don’t wait!** This opportunity expires on August 31, 2023.

Sincerely,

Roderick J. Bazil, D.C.
